To Whom It May Concern:

I am excited to comment on Mark Porter's performance as a professional trainer as well as motivator in the real estate industry.

Mark was a member of the Gulf Coast Association of REALTORS® for several years, during which time he conducted computer training classes for us. Even though Mark moved from our area several years ago, we still hear from members who request that Mark return as a trainer. Mark is truly an excellent instructor.

I have the highest personal and professional respect for Mark. He has a unique, natural quality and ability to teach and motivate his students, and it is without reservation that I highly recommend Mark Porter as an instructor.

Should you have any further questions, please feel free to contact me at your convenience.

Sincerely,

Lorraine Krohn
Executive Vice President
