RE: Mark Porter

To Whom It May Concern:

I am writing on behalf of Mark Porter as a recommendation for him to KWRI.

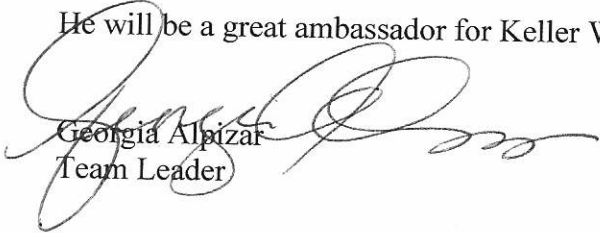

I have known Mark Porter since 2002 when he first joined Keller Williams Plano, TX as an agent. As his team leader, I can say that Mark has been a great asset to our market center as an agent and as an instructor. He has taught many investing and technology classes at the market center to help our agents.

Also Mark is a great asset at our Collin County Association of REALTORS® where he participates regularly as an agent, education committee representative, and instructor on technology and investing topics.

Additionally, Mark is a Senior CRS Instructor on a national level and this has tremendously enhanced his teaching skills over the past 3 years.

My husband and I treasure Mark as a personal friend away from the office and have the highest respect for his character and professionalism.

He will be a great ambassador for Keller Williams Realty International.
