Re: **Course Approval**

Dear Mr. Porter:

The following course has been approved for MCE elective credit. Please note the expiration date for the course approval.

<b>Course Title:</b>	Video Internet Marketing
<b>Course Number:</b>	03-00-034-23974
<b>Effective Date:</b>	April 12, 2012
<b>Expiration Date:</b>	March 31, 2014

The expiration date noted above is valid as long as the provider approval remains current. In the event that the provider approval expires, all courses under the said providership also expire and any further course offering should cease.

As a reminder, legal credit will not be awarded for MCE elective credit courses. Instructors should familiarize themselves with the rules pertaining to the MCE program. Of particular relevance to instructors is Section 535.71 and 535.72 of the Rules of the Commission.

Please note the course title and course number. This title and number must be used in all advertising and in all correspondence with TREC. The course number identifies four types of information. The first two digits identify the total number of hours in the course. The second two digits identify the number of legal hours in the course. The three-digit number represents the month and year in which the course expires. The **five-digit number** is the unique number assigned to each course.

If you have questions regarding your providership do not hesitate to contact me at (512) 936-3120.

Sincerely,

A handwritten signature in blue ink that reads "Sylvia Busk".

Sylvia Busk
