ae@gmar.org
(956) 682-4119
www.gmar.org

In this CRS Two Day Course, **Technologies to Advance Your Business**, you will learn how to:

- Focus on the practical applications of today's technology to build a successful real estate business
- Develop a plan for your social media participation that highlights measurable business goals
- Develop strategies for sharing interesting, useful content with your connections
- Select effective web elements and features to include on your website
- Define a strategy for establishing a distinctive web presence
- Discover money-making contact management techniques
- Take email to the next level for various marketing campaigns
- Learn new and more effective ways to use digital imaging
- Examine and review today's presentation tools that eliminate the competition

Individuals who take this course will earn 16 CRS Education course credits toward the CRS Designation. Individuals will also earn 16 hours of TX Elective CE Credit.
Provider #001/32138

ABOUT CRS The Council of Residential Specialists is the largest not-for-profit affiliate of the National Association of REALTORS®. We are a professional network of over 30,000 residential real estate professionals, and we provide the industry's best education, resources and networking opportunities. CRS also awards the Certified Residential Specialist® (CRS) Designation to top-producing REALTORS® who have met specific requirements related to experience, transactions and education.

Contact the Greater McAllen Association of REALTORS® to register for **TECHNOLOGIES TO ADVANCE YOUR BUSINESS** today at (956) 682-4119.
